September 16-20, 2012 | Raleigh Convention Center | Raleigh, North Carolina

Please join us in Raleigh for the Fourth Annual IEEE Energy Conversion Congress & Exposition® (ECCE 2012). ECCE 2012 will feature both industry-driven and application-oriented technical sessions, as well as industry expositions and seminars. ECCE 2012 provides the premier venue for showcasing new technologies, concepts, and applications covering all aspects of energy conversion; and will offer industry participants the opportunity to connect with their customers, vendors, and with other researchers in the community. **We hope you will join us for this exciting event!**

Interested in showcasing your products and services? Contact us today to learn about exhibitor and sponsorship opportunities!
