

Directions to the FREEDM Systems Center

FREEDM is located in Suite 100 of the Keystone Science Center on the Centennial Campus of NC State University in Raleigh, NC. The address for Keystone is 1791 Varsity Drive, Raleigh, NC 27606. Keystone is near the intersection of Varsity and Main Campus Drive on the opposite corner from ABB and across Main Campus from Lexis Nexis. GPS coordinates for our building are 35.774226, -78.677329. Parking instructions are below the map.

Parking at Keystone is free of charge but requires registration with a building tenant. Email the make, model and color of any vehicles that will be parking in the deck. If you are not able to send this information before your visit, please inform the receptionist in Suite 100 when you arrive. The image below shows the deck location, deck entrance and main entrance to the building.
